Press Release

AUMUND - World Market Leader in the Cement Supplier Industry puts even greater emphasis on Customer Closeness

Dr. Michael Mutz takes on overall management role of Cement Sales Division.

Rheinberg. AUMUND Fördertechnik is setting a significant milestone of bringing customer-closeness, customer service, and customer-value even stronger into its sales focus by utilization of internal synergies and experience from other business units.

Dr. Mutz took over responsibility of the Division Mineral Processing (previously Mining & Minerals) at AUMUND Fördertechnik GmbH in Rheinberg in April 2012 and in addition is now taking over the leadership at the Division Cement. Here, Mutz is being in charge of sales of both new equipment and retrofits. In the cement sector AUMUND is a premium supplier of bucket elevators and belt conveyors which are employed for heaviest duty requirements – also spanning extraordinary heights and lengths - in the conveying of hot and abrasive bulk materials. In addition to covering new equipment, AUMUND is equally active worldwide in upgrades and the supply of spare parts as well as services.

About the AUMUND Group

The AUMUND Group is active worldwide. The conveying and storage specialists have special expertise at their disposal when dealing with bulk materials. With their high degree of individuality, both its technically sophisticated as well as innovative products have contributed to the AUMUND Group today being a market leader in many areas of conveying and storage technology. The manufacturing companies AUMUND Fördertechnik GmbH (Rheinberg, Germany), SCHADE Lagertechnik GmbH (Herne, Germany), SAMSON Materials Handling Ltd (Ely, Great Britain), as well as AUMUND Logistic GmbH (Rheinberg, Germany) are consolidated under the umbrella of the AUMUND Group. In conjunction with the headquarters of the manufacturing companies, the global conveying and storage technology business is spearheaded through a total of eight locations in Asia, Europe, North and South America plus representatives and agents in more than 100 countries.
